St. Charles Borromeo, pray for us!
May is the month of Our Lady.

A Year of the Eucharist in the Diocese of Tyler

Transubstantiation. The Church teaches us that Christ becomes really present in the Blessed Eucharist *through the conversion of the entire substance of bread into His Body and through the conversion of wine into His Blood, leaving unchanged only those properties of bread and wine which are open to our senses. This hidden conversion is appropriately and justly called by the Church "transubstantiation."* And Holy Mother Church herself warns us that any explanation given with the object of making this ineffable mystery easier to understand *must maintain, without ambiguity, that order of reality which exists independently of the human mind, the bread and wine cease to exist after the consecration. From then on, therefore, the Body and Blood of the Lord Jesus, under the sacramental species of bread and wine, are truly presented before us for our adoration.* (from *In Conversation with God, Daily Meditations Volume 6: Special Feasts: January-June*, page 275-276 by Francis Fernandez Carvajal)
