Medicare & Tricare Coverage Ends at Freestanding Emergency Centers

The Public Health Emergency (PHE) ended May 11, 2023. When the PHE expired, state licensed Freestanding Emergency Centers (FECs) are no longer able to participate in Medicare or Tricare unless the federal government passes legislation to make this benefit permanent. This is a significant change for Medicare and Tricare patients.

ACTION NEEDED

Complete Care wants to permanently extend Medicare and Tricare benefits to include FECs. Our Medicare and Tricare beneficiaries deserve equal access to high-quality emergency care. The Emergency Care Improvement Act (HR 1694) is bipartisan legislation that will update the existing statute and allow beneficiaries to keep their coverage. This bill was introduced in the US House of Representatives on March 22, 2023.

When policy issues are being considered, legislators like to hear from their constituents. If you, a family member, or a friend have Medicare or Tricare, we urge you to contact your US House Representative and ask them to support the Emergency Care Improvement Act (HR 1694). Hearing from voters helps lawmakers understand what issues are relevant to constituents. This is an opportunity for you to help shape policy decisions and share what is important with your legislator.

Whether you decide to call, email, or write your representative, here are a few things to keep top of mind:

1. Include your name, tell them you are a constituent in their district, and reference the legislation you support – **Emergency Care Improvement Act (HR 1694)**.
2. State whether you, a family member, or a friend is a Medicare or Tricare recipient.
3. Share positive experiences related to Complete Care and explain why it is important for Medicare and Tricare beneficiaries to have equal access to emergency care.
4. Ask your representative to support legislation and make benefits permanent at FECs.

The Congressman for Tyler, Tx is Nathaniel Moran. The phone number of his local district office is 903-561-6349. If you are unsure of your US House Representative, you may use this link <https://www.congress.gov/members/find-your-member> or scan the QR code below.

Please make your voice heard and be an advocate for this significant healthcare policy initiative!
